

7. BISHOPDALE ROUNDABOUT – SAFETY IMPROVEMENTS

The Rooding Project Consultation Leader (Lee Kelly) reported on the outcomes of the consultation process regarding the proposed safety improvements to be undertaken in the general area of the Bishopdale Roundabout.

The Board **resolved**:

1. That the Bishopdale roundabout safety improvement works be approved for final design, tender and construction.
2. That all existing no stopping restrictions relating to the Bishopdale roundabout, be revoked.
3. That the parking restrictions set out in recommendation 3(i) to (x) inclusive of the Project Consultation Leader's report, be approved.
4. That the installation of the bus stops set out in recommendations 4 and 5 of the Project Consultation Leader's report, be approved.

(Ron Wright retired temporarily.)
