

9. ROYDS STREET – KERB AND CHANNEL RENEWAL

The Board **received** a report from the Transport and City Streets Unit advising that the Unit was unable to support the residents' proposal for the uplighting of the existing street trees in Royds Street.

Additional information was presented to the Board indicating that the residents had now decided that they did not wish to pursue the uplighting option.

The Board **resolved** that given the decision now made by the Royds Street residents, the proposal to provide for the uplighting of existing street trees in Royds Street as part of the street renewal project, not be proceeded with.

(Note: Val Carter declared an interest in this item and withdrew from the discussion and voting thereon.)

(Ron Wright returned.)
