

**9. COMMUNITY INITIATIVES PROJECT FUNDS 2003/04
REQUEST TO ALLOCATE MONIES**

The Community Board has established a "Community Initiatives" fund from its 2003/04 Project Funds, the focus being projects or activities which have a community focus.

The next round of Community Development funding applications was under way and the Sockburn Advocacy Team, in conjunction with the Chairperson of the Board's Community Services Committee, sought to transfer the balance of funds (\$5,125) to the Riccarton/Wigram Funding Committee.

The Board **resolved** to transfer the monies.
