

## 16. BOARD SEMINAR MEETING

The Board received the report of the seminar meeting held on 14 April 2004.

The Board **resolved**:

1. That the Parks and Gardens and Waterways Committee be informed of the Board's dissatisfaction with the level of services in relation to waterways.
2. That Myra Barry, Yvonne Palmer and Graham Condon meet with Jane Parfitt, General Manager, City Environment to discuss the siting of the pedestrian crossing at Daniels Road and Main North Road.
3. That a general meeting in the Redwood Senior Citizens Hall at Manse Place be arranged to address residents, and that Jane Parfitt be invited to attend.
4. That Board members forward their comments on the Consumption of Alcohol Bylaw to staff by May 7 2004.
5. That the Board support the Cycle Strategy and request that there be consistent campaigns highlighting the importance of helmet usage.
6. That the Chairperson and Deputy Chairperson be given power to act to present the Board's submissions to the Council's Annual Plan Subcommittee.
