

## 14. CORRESPONDENCE

### 14.1 Jeffs Vehicle Deliveries Ltd

The Committee considered a letter from Mr Graham Boulger, General Manager, Jeffs Vehicle Deliveries Ltd in which he expressed concern about the ability of his company to undertake their business in delivering motor vehicles within a legal manner in Christchurch.

The Committee **received** the information and requested that staff discuss the matter with the General Manager Mr Graham Boulger and report back to the Committee in due course.

### 14.2 Linwood High School - Board of Trustees

In addition the Committee **received** and considered a copy of the correspondence from the Linwood College Board of Trustees to the Mayor, dated 5 May 2004 in which they expressed their concern at the increased 60 km speed limit on Aldwins Road outside the school.

A copy of the reply from the Chairman to the Board of Trustees was also tabled for the information of members and it was decided that as indicated in this response information on traffic speeds be provided to the school and a report on the traffic safety issues raised by the school be brought to the June 2004 meeting of the Committee.
