

## 19. WORCESTER STREET LOADING ZONE

The Committee considered a report from Barry Cook, Traffic Engineer –Community, seeking approval for a 'P5 Loading Zone At Any Time' on the south side of Worcester Street just west of Manchester Street.

The report noted that a request has been received from a tour operator for additional space for people wishing to drop-off and pick-up passengers and luggage for the Inter City coaches which depart across the road from this point.

The Committee **resolved**:

1. That the two parking meters on the south side of Worcester Street commencing at a point 24 metres from its intersection with Manchester Street and extending in a westerly direction for a distance of 14.5 metres be removed.
2. That a 'loading zone time limit 5 minutes at any time' be created on the south side of Worcester Street and commencing at a point 24 metres from its intersection with Manchester Street and extending in a westerly direction for a distance of 14.5 metres.
