

3. REPORT ON YOUNG PEOPLE IN THE CENTRAL CITY

The Board considered a report on the outcomes of the 'Urban Leisure – Young People in the Central City' project.

The Board **decided**:

1. To recommend that staff work with key Council staff and youth entertainment providers to further investigate providing more youth entertainment in the central city.
2. To recommend that staff work with relevant Council units to further investigate young people's central city safety concerns and possible solutions for these concerns, and also hold a forum with young people and other appropriate agencies/individuals to discuss the outcomes of those investigations.
3. That staff be requested to recommend a programme of youth related actions and budgetary requirements for introduction into the 2005/06 Long Term Council Community Plan review process.
