

8. CELL SITE APPLICATION PROCESS

The Committee considered a report from Steve McCarroll, Property Projects Officer, seeking retrospective approval from the Committee to the establishment of five low impact sites erected on City Streets assets:

- Barrington Street, adjacent to Barrington Park and the shopping centre
- Clyde Road, adjacent to the Ilam shopping centre
- Centaurus Road, adjacent to Sloan Terrace
- Fendalton Road, adjacent to the intersection of Deans and Harper Avenues
- Galbraith Avenue, adjacent to Sullivan Park.

The Committee **resolved** that the five low impact sites listed above be retrospectively approved.

Please refer to clause 5 in Part A for the full report.
