

16. CANTERBURY JET SPORTS CLUB LEASE APPLICATION

John Allen of the Greenspace Unit sought the Board's approval of an application by the Canterbury Jet Sports Club to lease a further 99 m² of the Roto Kohatu Reserve, adjacent to Lake Tahi on which to erect a storage facility and clubrooms to service the club's requirements at the lake.

The Board **resolved**:

1. That the application be supported in principle subject to the Board obtaining clarity from the Canterbury Jet Sports Club on their operations.
2. That the Canterbury Jet Sports Club be invited to the seminar meeting on 15 September 2004.
