

21. MORRISON AVENUE - PROPOSED TRAFFIC CALMING

The Board considered a report seeking approval for consultation to commence on the proposed traffic safety works in Morrison Avenue.

The Board **resolved**:

1. That the concept plan be approved for consultation.
2. That the Police be asked to patrol Morrison Avenue on Thursdays and Fridays to enforce the speed limit and a report be submitted to the Board.
3. That the Transport and City Streets Unit monitor traffic movements in Morrison Avenue before and after the implementation of the project and a report be submitted to the Board.
