

4. PETITIONS

Myra Barry presented a petition with 30 signatures and eight letters of support on behalf of the residents of Proctor Street.

The prayer of the petition read:

“We, the residents of Proctor Street Papanui, petition the Council to implement a 120 minute parking limit for non-residents; and speed bumps in Proctor Street.”

The Board **decided** that the residents’ petition be referred to the Transport and City Streets Manager for follow up.
