

22. WARRINGTON STREET - PROPOSED KERB AND CHANNEL RENEWAL

The Project Consultation Leader, Transport and City Streets Unit (Brian Boddy) sought the Board's approval to proceed with the renewal of the dish channel on both sides of Warrington Street from Hills Road to Flockton Street.

Clause 5 (Part B) of this report refers to the submission presented to the Board in opposition to the changes proposed to the P5 Loading Bay on the corner of Warrington and Hills Road.

In response to the deputation and after considering the staff report, the Board **resolved**:

1. That the project be approved for construction as shown on plan TP 159901 at an estimated cost of \$456,000.
2. That the parking restrictions set out in recommendations 2 to 13 inclusive of the Project Consultation Leader's report be approved.
3. That the current P5 loading zone be monitored for efficiency and safety of the left turn lane from Warrington Street to Hills Road.
