

## 23. MOORHOUSE AVENUE - PROPOSED P60 PARKING RESTRICTION

The Committee considered a report seeking approval to install a P60 parking restriction on the northern side of Moorhouse Avenue at various locations between Montreal and Selwyn Streets.

The report noted that requests had been received from businesses on the northern side of Moorhouse Avenue for the existing P60 parking restriction to be extended to cover the whole length of the avenue from Colombo Street to Selwyn Street. Currently there are five separate P60 restricted parking sections along Moorhouse Avenue with the remainder of the kerbside parking unrestricted with all day commuter parking taking place. An additional request had been received from a specific business to change the existing P60 parking restriction to also cover Saturday.

The report gave details of the investigation and consultation on the proposal in terms of the Council's parking strategy.

The Committee **resolved**:

1. That all the existing 60 minute restricted parking on the north side of Moorhouse Ave between Colombo and Montreal Streets be revoked.
2. That the parking of vehicles be restricted to a maximum period of 60 minutes on the north side of Moorhouse Avenue commencing at a point 93 metres from its intersection with Colombo Street and extending in a westerly direction for a distance of 30 metres.
3. That the parking of vehicles be restricted to a maximum period of 60 minutes on the north side of Moorhouse Avenue commencing at a point 165 metres from its intersection with Colombo Street and extending in a westerly direction for a distance of 61 metres.
4. That the parking of vehicles be restricted to a maximum period of 60 minutes on the north side of Moorhouse Avenue commencing at a point 12 metres from its intersection with Durham Street and extending in a westerly direction for a distance of 41 metres.
5. That the parking of vehicles be restricted to a maximum period of 60 minutes on the north side of Moorhouse Avenue commencing at a point 99 metres from its intersection with Durham Street and extending in a westerly direction for a distance of 74 metres.
