

20. REPORTING FOR THE PERIOD ENDED 30 JUNE 2004

The Committee received a report from Paul Melton, Financial Services Manager detailing the basis on which annual reporting would be undertaken to standing committees together with a copy of the monitoring report for the year ended 30 June 2004 for the following significant activities:

- Car Parking,
- City Streets,
- Waste Minimisation and Disposal,
- Wastewater,
- Water Supply.

The opportunity was taken to review the reports and to ask questions and a number of areas were noted for the supply of future information to the Committee.
