2.1 VICTORIA PRECINCT – LIVING STREETS

Wendy Everingham, a Living Streets Aotearoa representative, addressed the Board regarding the pilot community street audit of the Victoria precinct.

The audit is a customer feedback survey to aid Council planners and engineers improve a street environment for people who use the space on foot, wheelchair or pushchair.

The Board **received** the information and agreed to send the presentation material to the General Manager City Environment and to the Transport and City Streets Unit to establish the feasibility of incorporating community street audits into the Transport and City Streets Unit local area planning.
