

4. EARTHQUAKE-PRONE POLICY

The Joint Committee considered a report by Peter Mitchell on an Earthquake-Prone Policy. All territorial authorities are required, under the Building Act 2004, to adopt a policy on dangerous, earthquake-prone and insanitary buildings within their district by 31 May 2006. The City Council has agreed to draft a policy for consideration by the Banks Peninsula District Council. A report will be before both Councils before Christmas.

The Joint Committee **received** the information.
