

2. PROPOSED ROAD STOPPING – 365 CASHMERE ROAD (HAPPY HOME ROAD BOUNDARY)

The Board was in receipt of a report from the Transport and City Streets Unit seeking a Board recommendation to the Council to authorise commencement of the road stopping procedure as set out in the Public Works Act 1981, for the portion of Happy Home Road adjoining the property at 365 Cashmere Road. The subject road comprises an area of 109 square metres and is situated along the southern boundary of the property at 365 Cashmere Road.

The Board was concerned about the possible loss of the street trees that were currently situated on the road. Private ownership of this land may see the trees being removed.

The Board therefore **decided** that the matter be referred to its Environment Committee (28 November 2005) for further consideration, along with information on the ongoing protection of these trees.
