

4. ELECTION RECESS PERIOD – BOARD DECISION MAKING

Submitted for record purposes was a decision made by the Board Chairman, Deputy Chairman and Ron Wright in accordance with an approval given by the Board on 31 August 2004 to decide on any routine matters arising during the election recess period.

In response to a request from the Transport and City Streets Unit, the Recess Committee had considered and approved a change being made to an earlier Board decision (4 May 2004) regarding the extent of a proposed no stopping restriction associated with the improvements undertaken at the Bishopdale roundabout in Harewood Road.

The Board **received** the information.
