

9. SHORT STREET KERB AND CHANNEL RENEWAL

The Board considered a report seeking its approval for the Short Street kerb and channel renewal to proceed to final design, tender and construction.

The Board **resolved**:

1. To defer consideration of this report until its next meeting.
2. To seek a report from the Transport and City Streets Unit identifying:
 - (i) What local consultation had been completed on the heritage feature.
 - (ii) The local consultation process for Grafton Street.
 - (iii) Why only part of the work had been completed on Barber Street and the remainder of the work moved out a year with no consultation or decision by the Board to substitute it.
