

5. **PROPOSED POLICY FOR THE GRANTING OF LICENCES TO COMMERCIAL RECREATION PROVIDERS WISHING TO OPERATE UPON COUNCIL OWNED OR ADMINISTERED PARK AND RESERVE LAND**

The Board considered a report seeking its comments on the proposed policy for the licensing of commercial recreation providers, who wish to operate regularly on Council owned or administered park and reserve land.

The Board **decided** to recommend to the Council:

1. That this report be referred to the Environmental Diversity Portfolio Group for consideration before a decision is made by Council.
2. That where the Acts of Parliament allow, Council delegates its responsibilities for administering the proposed policy once adopted by Council to the Greenspace Manager.
3. That the relevant Community Board be notified of licence applications received pertaining to their area.

Note: The recommendations of each of the six Community Boards are to be referred to the Environmental Diversity Portfolio Group for consideration as to the incorporation of their comments into the proposed policy, prior to its referral to the Council.
