

2. RESIDENTS' ASSOCIATIONS

Tony Mander, from the Golf Links Residents' Association, was in attendance to outline the group's activities. Each residents' group is invited to do this in rotation.

Tony Mander updated the Board on the group's activities and highlighted issues of concern. In particular he commented on concerns about the quality and conduct of the recent upgrade work carried out on Pagoda Reserve. The Board **decided** to refer the issues highlighted by Mr Mander with respect to Pagoda Reserve to the Community Engagement and Greenspace Teams for consideration.
