LETTER FROM C&P HAYTHORNTHWAITE

A letter was received from Christine and Philip Haythornthwaite requesting a change to residents' association boundaries and highlighting concerns with tour bus parking in Achilles Street.

The Board **decided** that:

1. The letter be referred to the Community Engagement Team and Transport & City Streets officers to address the respective issues highlighted.
2. A letter be sent to the Haythornthwaites thanking them for their correspondence and explaining the Board's decision and the subsequent process.
