

2. PETITIONS

The Chairperson presented a petition with 44 signatures on behalf of the residents of Nyoli Street regarding traffic problems.

The prayer of the petition read:

"The residents of Nyoli Street seek immediate relief from these devastating traffic problems and hereby petition the Council to take immediate action."

The residents indicated that they had submitted a petition 10 years ago, seeking relief from the traffic problems, but nothing had been done since then.

The Transport and City Streets Unit's Liaison Officer advised that the unit was looking into this issue. Norm Withers indicated that Graham Condon and himself would also present the petition to the Council.

The Board **received** the petition and requested that the Transport and City Streets Unit submit a report to the Board on the concerns raised in the petition.
