

3. WORKS, TRAFFIC AND ENVIRONMENT COMMITTEE – REPORT OF 19 SEPTEMBER 2005

The Board considered the report and accompanying recommendations of the Committee's meeting and **resolved**:

3.1 DEPUTATIONS BY APPOINTMENT

3.1.1 Donald Place – Kerb and Channel Renewal

The information was **received** and the Board noted that a further staff report is to be made to the Committee following discussions with the bowling club and local residents.

3.1.2 Fendalton Road/Holmwood Road Intersection – Traffic Management

The Board noted that the Committee had, under delegated authority, resolved that the ban on u-turns for vehicles travelling in a south easterly direction on Fendalton Road at the Holmwood Road intersection, be revoked.

In addition, the Board also **decided** that the Council, via the Liveable City Portfolio Group, be asked to consider funding the approximate cost of \$41,000 being the Board's preferred option to modify the central island to enable safe u-turn manoeuvres to be undertaken at the Fendalton Road/Holmwood Road intersection.

3.1.3 Information Updates

The Board noted that the Committee had **received** updates on the following projects:

- Clyde/Medbury at Waimairi Stream
- Daresbury Reserve – Upgrade
- Chislehurst Place
