

7. MAIN ROAD AMENITY PLANTING – CITY TO SUMNER-REDCLIFFS SCHOOL FRONTAGE

The Board considered a report informing the Board of the outcome of the planning and consultation undertaken in relation to the proposed amenity planting at Redcliffs School (as part of the Main Roads Amenity Planting project - City to Sumner route), and to seek Board approval to proceed with the planting.

The Board **resolved** to approve the plan for planting Norfolk Pines along the frontage of Redcliffs School for implementation.
