

## 1. ORANA PARK WILDLIFE TRUST CORRESPONDENCE

The Board **decided** to:

- (a) Decline the request received from the Trust for funds to support internal road upgrading and the blue duck breeding and release programme, as the Trust had received Council metropolitan funding of \$225,000 for 2005/06.
- (b) Advise the Trust that the Board would, however, be willing to consider any future requests to support special one-off projects of a non-operational nature.
