

3. COMMUNITY BOARD PRINCIPAL ADVISER'S UPDATE

The Board **received** the information and noted:

1. That under the Avon River (Central City) Strategy, individual projects where the Board has delegated authority, will still come to the Board in the normal way.
2. That staff have held discussions with Phillip Wright and the Ferrymead Trust/Tramway Society to address the concerns raised by Mr Wright at the Board's 8 February 2006 meeting.
3. That Council Property staff, responding to a request at the 8 February 2006 meeting regarding potential land for a community garden in Charleston, reported that there was no Council land currently available for disposal in the area.
