The Board **resolved**:

1. That the information be received.
2. That consideration is given to holding Community Service Awards annually.
3. That the Board consider the 2006 Community Service Award nominations at the 23 August Board meeting and the awards will be presented at a ceremony in September.
4. That up to \$1500 for the costs of community service awards is funded from 2006/07 discretionary funding.

Board members agreed that the frequency of the awards could be considered next year, with some members suggesting that they could be held triennially.
