

2. RESIDENTS' ASSOCIATIONS/COMMUNITY GROUPS

Time is allocated at Board meetings for Residents' Association/Community Group representatives to address the Board on local matters. Each group is being invited to do this in rotation.

Nigel Dixon from the Ascot/Freeville Residents' Association was in attendance to outline the group's activities.

Concerns raised were:

- Damage to the cycleway planting and grass verge, and rubbish on Frosts Road (between Ascot Avenue and Beach Road).
- Parking problems when events are held at QEII (eg Weetbix triathlon), cars were illegally parking on the grass at the Anzac Drive/Travis Road roundabout, even though there were no stopping signs in place.

The above concerns were noted for follow-up.

Nigel also reported that the outcomes of the 10-year QEII Concept Plan were positive and stated that residents in the area will be meeting to discuss the outcomes. He also wished to acknowledge on behalf of the Residents' Association and the local community their appreciation of the excellent work and responses given by Alan Direen and his team.

He also noted that the Council's website 'Request for Service' facility works very well for the community with quick responses to problems raised.

The Board thanked Nigel for the Association's efforts.
