

20. SUPPLEMENTARY REPORTS

The Board **resolved** to accept a supplementary report in respect to Youth Development Fund applications for three young people to attend the National Hip Hop Championships in Wellington and to accept a deputation from the Charleston Neighbourhood Group.

The reasons why the report was not on the agenda and why it could not wait until the next meeting were explained to the meeting and were advised as follows:

(a) **Why the items are not on Agenda**

“The reason why this report has not been placed on the Board agenda for this meeting is because it is a request for emergency funding for three applicants to be able to attend a national competition in Wellington. Unfortunately, it took the applicants some time to identify what was an appropriate source of funding to apply for and by the time they did and completed the application it was just two days before the Board was due to meet.”

(b) **Why matters cannot wait until the next meeting**

“The reason why discussion of this report cannot be delayed until a subsequent meeting of the Board is that the competition is on 1 July and the funds are needed to be approved before then as otherwise the young people will not be able to attend the event.”
