1.1 LYTTELTON CEMETERY

A letter was received from Gwenneth May thanking the Council for the improvement in the maintenance of the Lyttelton Cemetery and for the new rest area. The suggestion was made to dedicate the rest area to the memory of all the people who died in the 1919 influenza epidemic and are buried in the unmarked graves in that area.

The Board **received** the information.

The Board **resolved** to request that staff report back on the process to dedicate a portion of the cemetery, together with an appropriate costing.

1.2 CASS BAY RESIDENTS' ASSOCIATION INC

A letter was received from the Cass Bay Residents' Association inviting a Board representative to attend their monthly committee meetings.

The Board **received** the information.
