

8. AKAROA FISH & CHIP SHOP – RUBBISH AND RECYCLING BINS

The Contracts Manager had reported on this issue and recommended that the Board support the removal of the Council owned rubbish and recycling bins situated on the forecourt of the Akaroa Fish and Chip Shop.

The Board **resolved** that staff negotiate with the owner of the Akaroa Fish & Chip Shop around the principles that the two Council owned rubbish bins will be removed from the facility and that a recycling facility will be retained on the forecourt of the business at 59 Beach Road, Akaroa.
