PART B – REPORTS FOR INFORMATION

1. CORRESPONDENCE

The Board received a letter from Ken Smith, a resident of Worthy Street regarding the impact of cricket being played in the Upper Riccarton Domain.

The Board noted that the Council's Greenspace staff were following up on the issues raised by Mr Smith, and would advise the Board of the outcome.

2. DEPUTATIONS BY APPOINTMENT

2.1 NEW ZEALAND POLICE

Trevor Pullen, Senior Sergeant, New Zealand Police updated the Board on crime statistics in the Riccarton/Wigram ward. For the calendar year ending 31 December 2005, the Riccarton/Wigram ward saw a 5.8% reduction in overall reported crime. For the statistical year ending 30 June 2006, the Police were 7% over their forecast. An increase in both burglary and motor vehicle crime has been recorded. Both these areas are seen as Police priority areas.

Inspector John Doyle, Area Commander Southern Christchurch, New Zealand Police presented a proposal to amend the 2001 Christchurch City Traffic and Parking Bylaw as a means to address the boy racing activities in the Hasketts Road/Barters Road area. 9. CONFIRMATION OF THE PREVIOUS MEETING, 24 MAY 2006

It was **resolved** that the report of the Board meeting of 24 May 2006 be confirmed as a true and accurate record of that meeting.

10. BROKEN RUN – “GIVE WAY” FORMALISATION

The Board considered a report requesting the Board to reconsider its decision of 14 March 2006 to install a “stop” sign against Broken Run at its intersection with Wigram Road, and to formalise a “give way” sign as recommended by Transport & City Streets Unit staff. The Board resolution to install a “stop” sign had not been consistent with the Land Transport New Zealand Road User rules and the Manual of Traffic Signs and Markings.

The Board **resolved** to not accept the staff recommendation to revoke its resolution of 14 March 2006 to install a “stop” sign against Broken Run at its intersection with Wigram Road, due to the following reasons:

- (a) Visibility constraints from the left side at the intersection.
- (b) The possible high speed of vehicles along that stretch of Wigram Road is a potential risk.
- (c) The intersection should be treated in a similar manner as the intersections at Lancewood Drive/Dunbars Road and Ensign Street/Dunbars Road.

(Note: Peter Laloli recorded his vote against the resolution).
