NOTICES OF MOTION

1. RENTALS PAYABLE FOR OCCUPATION OF PUBLIC LAND FOR OUTDOOR DINING FACILITIES

To consider the following motion, notice of which has been lodged by Councillor Helen Broughton pursuant to Standing Order 2.16.1:

“The hearing of the judicial review between the bar owners on the Strip and the Christchurch City Council has been deferred to August.

In light of this deferment and the further legal work undertaken on this case by both parties since the issue was last debated in Council, I move the following Notice of Motion:

- A That the Council receive legal advice ‘in public excluded’ of the strength of the Council’s case.*
- B That, given the strip owners’ willingness to enter mediation, a legal opinion be sought from the Council’s solicitors Buddle Findlay on the merits of the Council entering mediation.”*
