

## 8. NEW BRIGHTON MALL SLOW ROAD

The Project Manager (Streets Capital Programme) sought the Board's approval for a change to three of the parking restrictions associated with the New Brighton Mall Slow Road.

The Board **resolved**:

1. That the existing five minute parking restriction on the north side of Brighton Mall commencing at a point 47.5 metres from its intersection with Union Street and extending in an easterly direction for a distance of 19.6 metres be removed.
2. That the parking of vehicles be restricted to a maximum period of 30 minutes on the north side of Brighton Mall commencing at a point 47.5 metres from its intersection with Union Street and extending in an easterly direction for a distance of 19.6 metres.

The Board also requested that the on street parking team be alerted to the issue of parking on Saturdays in the New Brighton Mall.
