

2. DEPUTATIONS BY APPOINTMENT

2.1 Riverlea Estate

Miles Ruddenklau and Wyatt Butcher addressed the Board with a request to consider funding for a replacement set of swings to be located at Riverlea Estates Recreation Park (the previous swings having been removed by the Council as they did not meet playground equipment health and safety regulations).

The Board thanked the Riverlea Estates representatives for attending and sought further information from staff in regard to funding set aside in the Council's five year plan for future works in this area, together with other projects affecting the Shirley/Papanui area.
