

14. WESTBURN RESERVE – TREE REMOVAL REQUEST

The Board considered a report seeking approval to remove two gum/eucalypt trees (*Eucalyptus* spp.) located in Westburn Reserve.

The Board **resolved** that approval be granted for the removal of the two gum/eucalypt trees located in the south-west of Westburn Reserve, adjacent to number 42 Westburn Terrace, and their replacement with appropriate planting in consultation with the residents of 42, 33 and 39 Westburn Terrace. (Note: that the third tree is to be retained and pruned.)
