

3. DEPUTATIONS BY APPOINTMENT

MOORHOUSE AVENUE TRAFFIC MANAGEMENT AND SAFETY IMPROVEMENTS

Arnold Kremer, Popular Cars Ltd, was in attendance to speak about the above matter.

Operating a business from 179 Moorhouse Avenue, Mr Kremer had requested that the current three on-street parking spaces be retained (the Transport and City Streets Unit has sought to remove two of these so as to provide an extended left-turn lane on Moorhouse Avenue into Montreal Street).

The Board requested further investigation.
