

15. ELECTED MEMBERS' REMUNERATION 2006/07

Consideration was given to a report from the Council Secretary inviting input from the community boards to indicate to the Council their preferred option for the allocation of the 2006/07 remuneration pool amongst the elected members of the Christchurch City Council and the eight Christchurch community boards.

The Board **decided** to recommend to the Council:

- (a) That Option 8 be adopted.
- (b) That Appendix B be endorsed but that the Council be asked to:
 - (i) Consider a redistribution of the communications allowance to include all elected members.
 - (ii) Turn its mind to enabling elected members to choose between receiving the mileage and/or communications allowances, depending on their needs and circumstances.
