

20. EDGEWARE VILLAGE RENEWAL

At its meeting on 20 April 2005 the Board resolved to allocate \$4,000 for the enhancement and beautification of Edgware Village, including the installation of “shopper” tree guards. The Board was requested to amend this previous resolution to provide for the installation of bollards and chains, in substitution for tree guards.

The Board therefore **resolved** to approve the installation of bollards and chains as part of this work, in substitution for tree guards.
