

17. NOTICES OF MOTION

Pursuant to Standing Orders 2.16.1, the following notices of motion were received:

(i) *Sawyers Arms Road/Lacebark Lane*

“That Transport Unit staff investigate the parking of vehicles on the corner of Lacebark Lane/Sawyers Arms Road and that marking of bus stops be carried out to prevent vehicles from parking on the bus stops. Consultation with the resident on the corner of Lacebark Lane to be undertaken in regard to the possible shifting of the bus stop to this site.”

(Moved by Norm Withers, seconded by Yvonne Palmer.)

The Board **resolved**:

- (a) That Transport & Greenspace Unit staff investigate the parking of vehicles on the corner of Lacebark Lane/Sawyers Arms Road and that marking of bus stops be carried out to prevent vehicles from parking on the bus stops.
- (b) That consultation with the resident on the corner of Lacebark Lane be undertaken in regard to the possible shifting of the bus stop to this site.

(ii) *104-106 Sawyers Arms Road*

“That the Board request Transport Unit staff to install a loading zone outside the businesses located at 104-106 Sawyers Arms Road to allow large trucks to park while waiting to access Christchurch Steel (the Manager of the business supports the Board’s actions).”

The Board **resolved** that Transport & Greenspace Unit staff install a loading zone outside the businesses located at 104-106 Sawyers Arms Road to allow large trucks to park while waiting to access Christchurch Steel.

(Moved by Norm Withers, seconded by Yvonne Palmer.)

(iii) *113-117 Sawyers Arms Road*

“That the Board request Transport Unit staff to investigate safety issues and carry out appropriate works to remedy residents’ concerns relating to such matters being experienced as a result of the increase in parking from the industrial buildings on Sawyers Arms Road.”

(Moved by Norm Withers, seconded by Yvonne Palmer.)

The Board **resolved** that Transport & Greenspace Unit staff investigate safety issues in relation to 113-117 Sawyers Arms Road that have arisen due to an increase in parking from the industrial buildings on Sawyers Arms Road and carry out appropriate remedial works to allay residents' concerns.

(iv) *“On the basis that a number of school principals have indicated an interest in participating in Junior Neighbourhood Support, the Board request a report from staff regarding the provision of further funding to support this initiative in the Shirley/Papanui community.”*

(Moved by Yvonne Palmer, seconded by Myra Barry.)

The Board **resolved** to request a report from staff regarding the provision of further funding to support this initiative in the Shirley/Papanui community (on the basis that a number of school principals have indicated an interest in participating in Junior Neighbourhood Support).

(v) *“That the Board request urgent consideration be given to Husseys Road being upgraded with footpaths in order to meet safety standards. This road has gone from being a rural cul-de-sac to an open road carrying at least 500% more traffic resulting from the Northwood and Styx Mill County Club developments.”*

(Moved by Yvonne Palmer, seconded by Norm Withers.)

The Board **resolved** to seek speaking rights at a Council meeting to request urgent consideration be given to Husseys Road being upgraded with footpaths in order to meet safety standards.
