

## 10. COMMUNITY BOARD MEMBERS CONFERENCE ATTENDANCE 2007

The Board **resolved** to approve the attendance by Mr Miller at the New Zealand Community Board's Conference 2007 and the attendance by Mr Lowndes at the Museums Aotearoa Conference 2007, plus, if there was sufficient budget available, the attendance also of Mr Morgan at the New Zealand Community Board's Conference 2007.

It was noted that the Museums Aotearoa Conference was focusing specifically on Museum expansion/development so it was appropriate for Mr Lowndes as Chairman of the Akaroa Museum Advisory Committee, to attend because of the upcoming development at the Akaroa Museum.
