

5. CORRESPONDENCE

- 5.1 The Board **received** correspondence from Alison Ross regarding street furniture on footpaths in London Street, Lyttelton and a request for the enforcement of on-street parking restrictions.

Staff were asked to provide information to the Board in response to the issues raised and to note these aspects in relation to the planning and design of the Lyttelton Town Centre Redevelopment project.

- 5.2 A letter of thanks was **received** from the Lyttelton Harbour Basin Youth Council acknowledging the funding support recently provided by the Board.
- 5.3 Staff undertook to clarify and advise members on the question of the appointment or otherwise of a Board representative on the Summit Road Society.
