

## 12. 95 WINDERMERE ROAD - STREET TREE REMOVAL

The Board's approval was sought to the removal of a street tree situated on the grass berm on Windermere Road.

The Board **resolved**:

- (a) That the manna ash tree located on the Windermere Road berm outside 95 (Tree ID 16340) be removed to allow for vehicle crossings to be constructed and the site development be completed as designed.
- (b) That the manna ash is replaced with a pb95 grade manna ash.
- (c) That the actual costs of \$615 for removing the tree and replacing it with pb95 grade manna ash is borne by the applicant.
- (d) That all of the trees in Windermere Road be assessed by the arboricultural team in the 2007/08 financial year and relevant consultation be undertaken.
