

9. BOARD MEMBERS' INFORMATION EXCHANGE

Members made specific mention of the following matters:

- Rapaki issues - update
- Governors Bay – on street parking activity in the vicinity of the Governors Bay Hotel. Referred to staff for investigation.
- Development Contributions Policy – update made on members' submission to the Council's Annual Plan regarding wastewater/stormwater issues in Governors Bay.

It was **agreed** that the matter of stormwater management associated with subdivisions in the harbour basin area be a topic at a forthcoming Board seminar.

- National Community Boards' Conference – the Board Chair undertook to submit a report on her conference attendance in due course.
- Ferry Service – the proposed loss of pedestrian access to the ferry from the overbridge at Lyttelton was discussed. Staff undertook to further investigate the matter.
