

## 10. BOARD MEMBERS EXCHANGE OF INFORMATION

### 10.1 Ikoraki Etchings

Members asked staff to bring a report to the Board on the possible purchase of a set of etchings of Ikoraki, to be partly funded from the Board's discretionary funding.

### 10.2 Greens Point Flag

It was reported that the new flagpole was about to be installed at the Britomart Reserve on Greens Point and that the Union Jack would be flown from the pole. It was noted that the Community Board had never at any time considered flying a French flag from the site, as had been misreported by the media.

### 10.3 Wainui Cemetery

The Wainui Residents' Association would be writing to the Board regarding funding for some fencing in the Wainui Cemetery.

### 10.4 Toll Free Area

It was reported that the Council had agreed with the Board's concerns regarding the Akaroa area not being included in the Christchurch toll-free calling zone.

The Board **decided** to ask staff to provide an update on what steps the Board could take to formally move forward on this issue.

### 10.5 Waste Resource Team

A meeting had been held with this team and various interested parties from the Little River area, to try to establish what the local community would like to see in terms of sewerage disposal for the town. The Waste Resource Team is a government funded body set up to help small communities develop sustainable ways of disposing of their wastewater. It was suggested to the team that they needed to approach Council staff on this issue.

### 10.6 Poranui Interpretation Site

It was reported that Ngai Tahu had purchased a property at Poranui (Birdlings Flat) for the establishment of an interpretation site

### 10.7 Akaroa Civic Trust

At the recent Annual General Meeting of the Akaroa Civic Trust several issues had arisen for which the Trust sought answers from the Board. A Board member present at that meeting had been able to answer the Trust's questions.

### 10.8 Roothing Update

The Asset Engineer (Planning) gave an update to the Board on roading projects in the local area.
