

6. TREE REMOVAL - 44 BAY VIEW ROAD, MONCKS BAY

The Board reconsidered a report seeking its approval to the removal of a large red flowering gum outside the property located at 44 Bay View Road. This matter had been held over from the previous meeting to allow for discussion with the Council arborist on the necessity to prune the tree.

After discussion the Board **decided** to defer consideration of this report to a later meeting to allow for consultation with the immediate neighbours and report back in due course.
