

1. **BARRINGTON STREET AT BARRINGTON PARK – SAFETY IMPROVEMENT PROJECT AND BARRINGTON STREET/HOWARD STREET – NEIGHBOURHOOD IMPROVEMENT PROJECT**

The Board considered reports from staff seeking approval to proceed to final design, tender and construction of:

- (a) Safety improvement works on Barrington Street and Barrington Park, and
- (b) Neighbourhood improvement works at Barrington Street/Howard Street.

The Board was supportive of the staff recommendations, and its decisions on these projects are set out in clauses 16 and 17, Part C of this report.

In addition, the Board **recommends** that:

- (a) The Council give consideration to installing cycle lanes along the area of Barrington Street covered by the scope of these projects (as set out in Attachments 1 and 2), and
- (b) In the event of the Council approving (a) above, that submitters on both projects be contacted and shown the plans as amended to include cycle lanes.
