

### 13. SPORT & RECREATION FUNDING APPLICATIONS

The Board considered a report from staff that presented six applications for funding from the Board's Discretionary Fund from metropolitan groups. As there is currently no Metropolitan Sport & Recreation Fund, the Community Recreation Advisers' Team were presenting the metropolitan applications to their respective funding assessment committees for consideration.

The Board **resolved** to allocate funding from its 2006/07 Discretionary Fund to the following organisations:

- |     |  |         |
|-----|--|---------|
| (a) | NZ National Tai Chi Chillan Association  | \$266   |
| (b) | Surf Lifesaving Canterbury Inc   | \$300   |
| (c) | Shahin Volleyball Team – United Afghan Association<br>(subject to the receipt and assessment of financial information).          | \$210   |
| (d) | Polish Association in Christchurch Inc   | \$250   |
| (e) | Canterbury Nordic Walking Trainers (CNNT)<br>(to cover the costs of instructor training, and half the cost of 10 sets of poles). | \$1,500 |

(Note: Sue Wells recorded her vote against the adoption of decisions (c) and (e) above.)

The Board **declined** the application from the Union Rowing Club for funding.
