

## 11. WORKS, TRAFFIC AND ENVIRONMENT COMMITTEE MEETING – REPORT OF 26 MARCH 2007

The Board **received** a report from its Works, Traffic and Environment Committee on the outcomes of a meeting held on 26 March 2007.

### 11.1 DEPUTATIONS BY APPOINTMENT

The Committee accepted two late deputations.

#### 11.1.1 Mr John Wanty, 5 Chilcombe Street

John Wanty addressed the Committee with concerns relating to an apparent design problem that has become evident as part of the current street upgrading work.

Mr Wanty tabled a submission. The Chairperson thanked him for his submission. The Committee then proceeded and asked various questions of staff.

The Board **decided**:

- (a) That the Transport and Greenspace Unit staff meet with the residents of Chilcombe Street as soon as possible to work on options to rectify the problem.
- (b) That the Transport and Greenspace Unit staff investigate funding sources for this rectification work eg insurance.

#### 11.1.2 Jennifer Nepton, 367 Old West Coast Road

Jennifer Nepton addressed the Committee with concerns relating to the quarrying activity report in the vicinity of Miners Road.

Jennifer tabled an emailed submission which was circulated at the meeting.

The Committee thanked Ms Nepton for her submission.

Clause 3 of this report records the outcome of the resident's submission and the accompanying staff report on this matter.

#### 11.1.3 Quarrying Activity

The Board was provided with a report on quarrying issues in the vicinity of Miners Road.

The Committee **received** the information and **decided**:

1. That the Council and Environment Canterbury staff be asked to update the Yaldhurst Rural Residents' Association and the Community Board on progress made.
2. That Environment Canterbury be requested to provide a report in relation to groundwater contamination to the Community Board and the Yaldhurst Rural Residents' Association on:
  - (a) current results for both sets of parameters where any trigger levels have been reached for the first set of data.
  - (b) a sufficient number of sample results for each test at each site where these are currently lacking to nullify claims that results are skewed by sampling errors.
  - (c) a comprehensive analysis signed off by an Environment Canterbury groundwater scientist to ensure that all results have been thoroughly considered.

3. That, should compliance not be achieved by June 2007 by the twelve quarrying sites, staff inform the Community Board and the Yaldhurst Rural Residents' Association on the enforcement actions to be taken against any site found to be in breach.

#### **11.1.4 Management Plan for Burnside Park**

Eric Banks, Parks and Waterway Planner was in attendance and updated the Board on progress and seek feedback from members on this project.

The Committee was provided with a copy of the existing management plan and a draft Communication plan for feedback.

Other decisions reached in respect of those sections of the Committee's report in respect of which the Board has delegated power are set out in Part C of this report.
